Beemoov announces the release of the My Candy Love Art Book

The “My Candy Love Art Book”, containing exclusive illustrations and information about the game and its characters, is available on the Beemoov Boutique.

Beemoov has announced the release of the “**My Candy Love Art Book**”, the perfect literary complement to their successful virtual flirting game, *My Candy Love*, with its more than **2 million fans**.

The “My Candy Love Art Book”, with its eighty-four pages, includes **game illustrations, character profiles and quotes, and exclusive game information**. Readers will also find a step by step illustration guide, an interview with the game’s creator and graphic director, ChiNoMiko, and behind the scenes information about the game’s development team.

Beemoov worked closely to ensure that all the information, quotes and interviews were carefully and accurately translated in this **English-language edition** of the original French “Amour Sucré Artbook”.

The paperback art book, published by Beemoov Goodies, measuring 8.2” wide and 11.6” tall, is composed and printed on Fedrigoni paper.

The “**My Candy Love Art Book**” is available exclusively through the Beemoov Boutique, at <http://us.beemoov.com/store/>.
